

Language Technologies for the Challenges of the Digital Age

GSCL 2017

Berlin 13/14 September 2017

International Conference of the German Society for Computational Linguistics and Language Technology

13/14 September 2017
Humboldt-Universität zu Berlin, Germany

<http://gscl2017.dfki.de>

We are happy to invite you to this year's edition of GSCL: The bi-annual conference of the German Society for Computational Linguistics and Language Technology is to be held at Humboldt-Universität zu Berlin, 13/14 September 2017. The conference will be preceded on 12 September by two workshops about aspect-based Sentiment in Social Media Customer Feedback and Teaching NLP for DH.

Highlights:

- Two invited keynotes:
 - Kalina Bontcheva** (University of Sheffield, UK)
 - Holger Schwenk** (Facebook AI Research, France)
- More than twenty presentations
- GSCL e.V. General Meeting
- Poster sessions
- Two pre-conference workshops (12 Sept.):
 - GermEval 2017**
 - Teach4DH**
- GSCL Awards ceremony
- Social events
- Great opportunity to network

The programme of the main conference and more details on the two workshops can be found on the GSCL 2017 website at <http://gscl2017.dfki.de>. In case of questions, please contact gscl2017@dfki.de.

We look forward to a great GSCL 2017 and to seeing you in Berlin!
